Doctor of Philosophy in Biomedical Sciences PhD Student Recruitment

Position:	PhD student
Supervisor:	Professor William Chao
Email:	williamchao@um.edu.mo
Personal Website:	https://fhs.um.edu.mo/staff/academic-staff/williamchao/

PhD student in Biomedical Sciences

The laboratory of Professor William Chao is recruiting a PhD candidate to investigate the structure and mechanism of fundamental epigenetic regulators. The candidate will carry out protein complex sample preparation and data collection using structural techniques including X-ray crystallography and cryo-electron microscopy (cryo-EM).

Applicants must hold a bachelor or master degree in relevant areas of biochemistry with preferred experience in cloning, protein purification, and structural biology.

For further information, please email Professor Chao at williamchao@um.edu.mo.

Normative Study Period

4 years.

Tuition Fee

The current Tuition Fee Scheme ([LINK](#)) is programme-based.

Scholarship and Post-graduate Assistantship

UM Macao PhD Scholarship

Candidates recruited from high-ranking universities can also apply for the “UM Macao PhD Scholarship” (MPDS) which offers assistantship of MOP20,000/month for a period up to 4 years. Please visit Graduate School’s website ([LINK](#)) for details of the MPDS.

PhD Assistantship

All full-time PhD students in the Faculty receive an assistantship of MOP12,500/month, subject to the “Guidelines for UM PhD Scholarship and Assistantship” ([LINK](#)) of the University. Please visit Graduate School’s website ([LINK](#)) for details of the assistantship.

Application Deadline

Recommended Direct Admission: 15 October 2020

Regular Admission: 26 February 2021
